

Gerne lasse ich euch wissen:

Hier sind zwei neue englische Zusammenfassungen unserer Forschungsarbeiten zu **FDOJ, RANTES/CCL5 and Ultrasonography CaviTAU®**:

“Dove Medical Press” the Academic Publishing Division of Informa PLC [315321] wrote:

1. Dear Dr Lechner, Re: Your paper published in International Medical Case Reports Journal

A quick update to let you know that your paper “Chronic Fatigue Syndrome and Bone Marrow Defects of the Jaw - A Case Report on Additional Dental X-Ray Diagnostics with Ultrasound” has been well received since it went online.

Bitte an dem internationalen Kenntnisstand zu Ultraschall CaviTAU® teilhaben.

Viel Spaß beim Lesen der Artikel, die die Kieferknochen-Entgiftung “JawboneDetox” mit der allgemeinen Gesundheit in Verbindung bringen!!!

Mit bestem Gruß aus München,
 euer Hans Lechner
