27 NOVEMBER

Friday · 27 November 2026

08:30–09:00	Welcome
09:00–10:00	Dr. med. dent. Dr. (PhD-UCN) Johann Lechner Optimizing Local Conditions for Implant Success – Evaluation of the Medullary Environment
10:00–11:00	Prof. Dr. med. Joseph Choukroun Implantology is Osteoimmunology
11:00–12:00	Dr. dent. med. Tobias Steinherr, MSc Activating Bone Intelligence
12:00–13:00	Lunch
13:00–14:00	Dr. med. dent. Olivier Chéron Evolution through Ceramic Thinking
14:00–15:00	Dr. med. dent. Fabian Schick The Immunological Fire-Wall at Ceramic Implants
15:00–15:30	Coffee break
15:30–16:30	Dr. med. dent. Dr. (PhD-UCN) Johann Lechner Optimizing Systemic Conditions for Implant Success – Evaluation of Immunological Regulation
16:30–17:30	Dr. med. David Vinyes Cranial Neural Therapy for Implantologists
18:30–21:00	Dinner

28 NOVEMBER

Saturday · 28 November 2026

09:00–10:00	Dr. med. dent. Dr. (PhD-UCN) Johann Lechner Post-Implant Immunological Rehabilitation of Impaired Medullary Metabolism – Detoxification Strategies and Infusion Therapy
10:00–10:30	Dr. med. dent. Dr. (PhD-UCN) Johann Lechner What Is the Link Between Neural Therapy and Degenerative Osteonecrosis (FDOK)?
10:30–11:00	Coffee break
11:00–12:00	Robert Huber, MBA Dental Ultrasound Imaging for the Assessment of Jawbone Density and Its Osteoimmunology
12:00–13:00	Dr. dent. med. Regeane Kaniak Osseointegration & Osteoimmunology
13:00–14:00	Lunch
14:00–16:00	Dr. med. David Vinyes Practical Injection Techniques in Cranial Neural Therapy for Implantologists – Part 1
16:00–16:30	Coffee break
16:30–18:30	Dr. med. David Vinyes Practical Injection Techniques in Cranial Neural Therapy for Implantologists – Part 2

29 NOVEMBER

Sunday · 29 November 2026 · 09:00–13:00

HANDS-ON WITH INDUSTRY PARTNERS

Explore current technologies, solutions and clinical applications in biological and integrative dentistry. See technologies in action, ask detailed questions and speak directly with the experts behind them.

Free of charge and open to all visitors.

VENUE
